

Lunsford Primary School

07 December 2020

Dear Parents/Carers

Thank you for your continued support, patience and kind messages that we have received today. As you can imagine it was a very long Sunday yesterday. I want to assure all parents and families that the health and safety of the children and staff at Lunsford is paramount.

I liaised with the Department of Education, Public Health England as well as the Local Authority yesterday and the measures we have put in place were agreed to be proportionate. As a school, we can only act with the information available to us at any given time and we have followed all guidelines and recommendations. I have been in contact with the Governors of the school and have been keeping them updated with the situation.

I am unable to speak about individual cases. If you choose to withdraw your children before the end of term unfortunately, the DfE guidance states that these absences will be unauthorised. We also will also be unable to organise home learning in these cases.

Thank you for your understanding and support during these difficult times. This is very much appreciated by myself and the members of staff in school.

Gary Anscombe
Headteacher
Lunsford Primary School

Headteacher Mr G Anscombe BA (Hons) PGCE NPQH
