

Lunsford Primary School

Dear Parents and Carers,

Severe Snow/Ice Plan for Parents and Families

Every winter brings the possibility of snow and ice. Extreme bad weather can cause widespread and prolonged disruption. Schools are often affected and it can be difficult to maintain an education service.

As a fundamental principle every effort must be made to keep schools open, even if only limited numbers of pupils can attend. However, schools may close due to 'unavoidable' circumstances. Those circumstances being that it is no longer safe for staff or pupils to be onsite.

We recognise that it is important our school remains open so parents are able to work and pupils can continue to learn. Lunsford Primary School and Brookfield Schools will make every effort to prepare for severe snow/ice this winter by gritting the main pathways and entrances to the school when necessary and by keeping the main access gates clear too.

How will we let you know if the school is closed?

If we do experience severe snow/ice resulting in hazardous conditions, Mr Anscombe may have to take the decision to close the school. Once this decision has been made we will notify parents via the Kent Closures website. To determine whether Lunsford Primary School is open or closed please visit www.kentclosures.co.uk. Search for the school in the search box. The Kent Closures website may also be used to find out if other services in Kent are open or closed, such as nurseries, children's centres and libraries. We also recommend parents sign up for email alerts on the Kent Closures website. This service will send an email alert to let parents know if Lunsford Primary School is closed. Local radio will sometimes provide information of school closures. There is no longer an SMS service available.

What can you do to help?

- Please visit www.kent.gov.uk/winter for more information about gritting routes and travel issues around Kent so you can plan your journey.
- Please approach Lunsford Primary School and Brookfield School from the main pedestrian gate in Swallow Road. Access will still be open at the back of the field but these paths may not be fully gritted.
- Check with the school to see whether you need to provide a packed lunch from home in case school meals cannot be provided.
- Don't forget suitable warm clothing – gloves, hats, scarves, wellies etc. or even a change of clothing.
- If you are a working parent or feel you may have a problem with a sudden earlier pick up, please could you put a back-up plan in place with another family member or parent and inform the school. This will allow staff to leave earlier for their safety if weather dictates.
