

Please think about and jot down answers to the following questions before our Zoom session at 11.00.

1. What does a lighthouse do?
2. At the beginning of the film, there are noises coming from the town. What kind of atmosphere do these sounds create?
3. What is the Lighthouse keeper doing at the beginning of the film?
4. Why does the lighthouse keeper shut the window?
5. Does the window stay shut? Why?
6. Why does the lighthouse keeper seem worried when he hears a noise?
7. When the lighthouse keeper get upstairs, what does he notice?
8. When the lighthouse keeper trips over the toolbox and the bulb smashes, what do you think this means for the lighthouse, the town and any nearby boats?
9. Who saves the day and stops a boat from crashing into the cliff/town?
10. How do you think the lighthouse keeper feels at the end of the video clip?
