If you have some spare time you could try these.

<https://myminimaths.co.uk/year-5-week-6-estimating-the-volume-and-capacity-of-everyday-objects-thursday/>

English:

11am Zoom – Please bring a children’s non-fiction book, if you can! And a piece of paper and pencil to sketch out a plan for your information page.

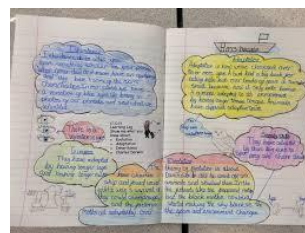

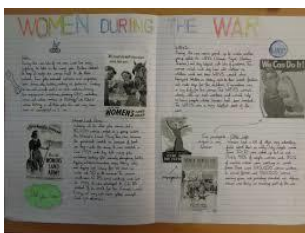

Please see Topic lesson below. As we haven’t had much time, and I want your information pages to be extra-special, you can use your English time today and tomorrow to write up some of your information pages – as you should have plenty to write about (see Topic examples below).

AND

Reading Comprehension – The Story of Medusa – choose the 1-star, 2-star or 3-star version (they get harder!)

Topic - Ancient Greece: (see Zoom session above at 11am!)

Last week you will have completed your research on your own topic to do with Ancient Greece. This week, I’d like to you to create your information pages about what you have researched! These topic pages are always my favourite things to receive as they are all so unique and personal to you! Make sure you pay particular attention to presentation, using a ruler if you need to draw any lines! As it seems we haven’t had much time on Ancient Greece and I’d like these topic pages to be extra special, I am also letting you spend some of your English time (Thursday and Friday) on these. Feel free to add drawings, printed pictures, a ‘lift-flap’ to extra information, etc. Let your imagination run wild, be creative and make your pages colourful and inviting! But, most of all, make sure you provide plenty of information – like the pictures below (which are on a different topic!)

Plus daily spellings (20 min), reading (30 min) and TT Rockstars (10 min)

Don't forget there is the optional PASS After School KS2 Football Club – 4pm-4:45

Meeting ID: 981 8397 8609

Passcode: FOOTBALL

Friday:

Zoom Sessions For Mrs Davies: (11am = Celebrate Topic pages, 2:45pm = End of week catch up)

Friday – Compare Fractions Greater Than 1.

If you have some spare time you could try these.

<https://myminimaths.co.uk/year-5-week-6-estimating-the-volume-and-capacity-of-everyday-objects-friday/>

English:

Continue and complete information pages, ready to share in our Zoom session at 11am.

11am Zoom – show our completed pages!

SPaG / Spelling:

Possessive Apostrophe Quiz

On Class Learning page – complete page 1 (tick which one is correct) and page 2 (re-write sentences correctly!).
Answers included.

RE:

What would Jesus do? Can we live by the values of Jesus in the 21st century? (NB – this question will carry over to next term)

We've briefly looked at some of Jesus' teaching on love and forgiveness and how easy it is to forgive others.

Today's lesson is about **Mother Teresa** (and will continue next term). She was a nun who was famous for all of her good deeds and helping to look after the poor and those in need. She died in 1997, only 23 years ago, and is now known as Saint Teresa of Calcutta.

Task: Read the fact file on Mother Teresa (on class page – don't print it all – choose 1 star, 2 or 3 star) and write a brief paragraph about what you have found out about her, in your own words (please do not just copy chunks of text, but make notes as you go along to write out at the end, as we would in class.)

You can listen to her voice here – a recording of her reciting a prayer: [Make us worthy, Lord - YouTube](#)
